

# Aureliano Far Suau

## FRONTEND DEV

I'm a problem solver. Practical and simple. I enjoy diving into projects to find that annoying bug but also taking some distance to see the big picture. I'm good at working solo but I'm at my best as a team player.

## EXPERIENCE

### Freelance — Full Stack Dev

NOVEMBER 2017 - PRESENT

- Built web apps with [Laravel](#) and [WordPress](#) (Including [Woocommerce](#))
- Created high complexity widgets and SPAs with [React and Redux](#)
- Also worked with platforms like HubSpot and Volusion

### MindTrust — Frontend Dev

DECEMBER 2020 - DECEMBER 2022

- Assessed clients' needs through direct contact
- Worked on many websites like [CookWithKenyon.com](#) and [GlobalLymeAlliance.org](#)
- Handled a wide range of technologies including [WordPress](#), [HubSpot](#), [Web Components](#), [TailwindCSS](#) and [Vue.js](#)

### VIX Inc. — Frontend Dev

OCTOBER 2016 - NOVEMBER 2017

- Participated in a medium sized team using [Scrum](#) methodology
- Built the UI for VIX's social insights measurement tool
- Used [JavaScript](#) to consume and parse [APIs](#) data and display it with [Chart.js](#)

### GreenTomato ST — Frontend Dev

AUGUST 2013 - SEPTEMBER 2016

- Solely owned the UI front-end development for entire sites like [DondeReciclo.org](#)
- Worked with [HTML](#) & [CSS](#) (with [SASS](#)) and [JS](#)

## EDUCATION

### Nicolás Avellaneda Highschool, Argentina

2004 - 2009

E-mail: [fs.aureliano@gmail.com](mailto:fs.aureliano@gmail.com)
