Comment by Ratko Simidzija [05.08.2026]	
This PR fixes https://epages.atlassian.net/browse/EPNG-10304 and implements https://epages.atlassian.net/browse/EPNG-10311	
Comment by Shohidur Rahman Shaju [22.09.2026]	
Issues:	
1. Regression bug, link tooltip container is outside the product description box and also the tooltip is still visible when the content is not in the view on the description box.
